

We Gotta Live Together

Jimi Hendrix

Haaa haaa haaa

The old house dog
Is waggin' his tale
Nobody loves him
He's dirty as hell
They put him in home sweet hell
Everyone now
Home sweet home
Home sweet home
Home sweet home
Got to be love beside ya
Home sweet home
That's all you gotta have love beside ya
Home sweet home
Yeah
Home sweet home
Home sweet home
Home sweet home
Home sweet home
It's alright
Home sweet home
Yeah yeah
Home sweet home
Home
Home
Home
Home
[etc.]
Yeah
It's all
It's all
Yeah
Yeah
Yeah
[etc.]

We got to live together
Yeah
We got to live together
Yeah
We got to live together
Yeah
We got to live together
[etc.]
