

# I Was The One

Jimmie Dale Gilmore

I was the one who taught her to kiss  
The way that she kisses you now  
And you know the way, she touches your cheek  
Well, I taught her how

I was the one who taught her to cry  
When she wants you under her spell  
The sight of her tear drives you out of your mind  
I taught her so well

And then one day, I had my love  
As perfect as could be  
She lived, she loved, she laughed, she cried  
And it was all for me

Oh, I'll never know who taught her to lie  
And now that it's over and done  
Who learned the lesson when she broke my heart  
I was the one

And then one day, I had my love  
As perfect as could be  
She lived, she loved, she laughed, she cried  
And it was all for me

Oh, I'll never know who taught her to lie  
And now that it's over and done  
Who learned the lesson when she broke my heart  
I was the one
