

# Are You Really Mine

Jimmie Rodgers

(Really really really mine you're really mine  
Really really really mine you're really mine)

You tell me that you love me  
And you tell me that you want me  
And you even wear my graduation ring

(Doo-wah) It's too wonderful  
(Doo-wah) It's too beautiful  
(Doo-wah) It's a fantastic thing

Are you really really mine (really mine)  
Really mine (really mine)  
Really mine  
Will my lucky little star (little star)  
Really shine (really shine)  
Really shine  
Kiss me with feeling  
Make my heart go reeling  
Make me know that you are really really really mine

(Really really really mine you're really mine  
Really really really mine you're really mine)

You call me every morning  
And you see me every evening  
And you swear that I'm the only one for you

(Doo-wah) Here's the funny part  
(Doo-wah) Though you cross your heart  
(Doo-wah) I can't believe it's true

Are you really really mine (really mine)  
Really mine (really mine)  
Really mine  
Will my lucky little star (little star)  
Really shine (really shine)  
Really shine  
Kiss me with feeling  
Make my heart go reeling  
Make me know that you are really really really mine

(Really really really mine you're really mine)  
Really mine

FADE:

(Really really really mine you're really mine)  
Really mine  
(Really really really mine you're really mine)
