

## Blue Motel No. 9 (standin' On The Corner)

Jimmie Rodgers

Standing on the corner  
I didn't mean no harm  
When a big policeman  
Grabbed me by the arm

Now I was down in Memephis  
On the corner of Beale and main  
He said " Now hey big boy  
I'm gonna have to know your name

Now you can find my name  
On the tail of my shirt  
I'm a Tennessee hustler  
And I never have to work

But I'm telling all you rounders  
You best leave my woman alone  
I'll take my .38 special  
And I'll run you rounders home
