

# The Wreck Of The John B

Jimmie Rodgers

We came on the sloop "John B"  
My grandfather and me  
'Round Nassau town we did roam  
Stayed awake all night  
We got into a fight  
Well, I feel so broke up  
I just want to go home

Hoist up the "John B" sail  
See how the mainsail sets  
Tell the captain ashore  
I wanna go home  
Well, I wanna go home  
I wanna go home  
Lord, I feel so broke up  
I just wanna go home

Well, the first mate he got drunk  
And he broke into somebody's trunk  
And the Sheriff had to come and take him away  
Sheriff John Slone  
Please let me alone  
Well, I fell so broken up  
I just wanna go home

Hoist up the "John B" sail  
See how the mainsail sets  
Tell the captain ashore  
I wanna go home  
Lord, I wanna go home  
I just wanna go home  
Well, I feel so broken up  
I just wanna go home

Hoist up the "John B" sail  
See how the mainsail sets  
Tell the captain ashore  
I wanna go home  
Well, I wanna go home  
I wanna go home  
Lord, I feel so broken up  
I just wanna go home  
Well, I feel so broken up  
I wanna go home
