

Ain't No Mountain High Enough

Jimmy Barnes

Listen baby ain't no mountain high
Ain't no vally low
Ain't no river wide enough baby

If you need me call me
No matter where you are no matter how far
Don't worry baby just call my name
I'll be there in a hurry
You don't have to worry

'Cause baby there ain't no mountain high enough
Ain't no vally low enough
Ain't no river wide enough
To keep me from getting to you

Remember the day I set you free
I told ya you could always count on me girl
From that day on I made a voul
I'll be there when you want me somewhere somehow
'Cause we know that there

Ain't no mountain high enough
Ain't no vally low enough
Ain't no river wide enough
To keep me from gettin' to you babe

Oh no darling
No wind, no rain
Winters cold can't stop me baby
No, no baby
If you're ever in trouble
I'll be there on the double
Just send for me now baby

My love is alive way down in my heart
Although were miles apart
If you ever need a helping hand
I'll be there on a double just as fast as I can
Don't you know that there

Ain't no mountain high enough
Ain't no vally low enough
Ain't no river wide enough
To keep me from gettin' to you babe
You know that there

Ain't no mountain high enough
Ain't no vally low enough
Ain't no mountain high enough
Ain't no river wide enough
Ain't no mountain high enough
Ain't no river wide enough
Ain't no mountain high enough
Ain't no river wide enough
