

Dancing Queen

Jimmy Barnes

Ooooh yeah
You can dance, you can jive, having the time of your
life
Oo-oo-oo
See that girl, watch that scene, dig in the Dancing
Queen

Hey
A Friday night and the lights are low
I'm Looking out for the place to go
Oh, where they play the right music, I'm getting in the
swing
You're in the mod for love.

Anybody could be that gal
Night is young and the music's high
With a bit of rock music, oh everything is fine
You're in the mood for a dance
And when you get that chance

You are the Dancing Queen, young and sweet, only
seventeen
Dancing Queen, feel that beat from the tambourine
I said you can dance, you can jive, having the time of
your life
Oo-oo-oo
See that girl, watch that scene, dig in the Dancing
Queen
Oooh yeah

Well you're a teaser, you turn 'em on
Well you leave them burning and then you're gone
I'm looking for another, and anyone will do
You're in the mood for dance
And when you get that chance

Oh, you are the Dancing Queen, young and sweet, only
seventeen
Dancing Queen, feel the beat of a tambourine
You can dance, you can jive, having the time of your
life
Oo-oo-oo
See that girl, watch that scene, dig in the Dancing
Queen
Oh, come on

Yeah, yeah
Whoa yeah
You can dance, you can jive, having the time of your
life
Oo-oo-oo
See that girl, watch that scene, dig in the Dancing
Queen
Oooh, dig in the Dancing Queen
Oooh, dig in the Dancing Queen
Yeah, dig in the Dancing Queen
