

# Lover Lover

Jimmy Barnes

It's been a long time baby  
I just got to thinking maybe  
You could come and meet me half way  
We could get it on together  
Cause I can't wait to see you baby  
When I think of how you touch me

Lover, lover come to me  
Lover love my fantasy  
Lover lover come to me  
Come to me and be with me tonight ohhhh

Thought that I could live without you  
And live without your heartbeat on me  
Or your breath beside my body  
But I miss you by my side

Lover lover set me free  
Lover love my fantasy  
Lover lover set me free  
Come with me and be with me tonight, yeah

So move it because time's a wasting  
It's killing me anticipating  
But don't you keep me here oh waiting  
I'm hanging on my own again

Lover lover  
I said set me free  
Lover lover  
You're my fantasy
