

# Piece of My Heart

Jimmy Barnes

Said come on, come on, come on, come on  
Didn't I make you feel  
You were the only girl  
Didn't I tell everything was going to be fine  
Each time I tell myself that I'm  
I think I can stand the pain  
I want to hold you in my arms  
And love you once again  
I want you to come on, come on, come on, come on  
And take it  
Take another little piece of my heart now baby  
Take it  
Take another little piece of my heart well darlin'  
Come on  
Take another little piece of my heart now baby  
You know you've got it, makes you feel good

Go out on the street, looking good  
Baby deep down in your heart  
You know I'll always be around  
Hear now baby when I cry  
For her you know I'll cry all the time  
Each time I tell myself that I'm  
I think I can stand the pain  
I want to hold you in my arms  
And love you once again  
I want you to come on, come on, come on, come on  
And take it  
Take another little piece of my heart now baby  
Take it  
Take another little piece of my heart well darlin'  
Come on  
Take another little piece of my heart now baby  
You know you've got it, makes you feel good

Said come on, come on, come on, come on  
And take it  
Take another little piece of my heart now baby  
Take it  
Take another little piece of my heart well darlin'  
Come on  
Take another little piece of my heart now baby  
You know you've got it  
Take it  
Take another little piece of my heart now baby  
Take it  
Take another little piece of my heart well darlin'  
Come on  
Take another little piece of my heart now baby  
You know you've got it, makes you feel good
