

# To Love Somebody

Jimmy Barnes

There's a light  
A certain kind of light  
That never shone on me  
I want my life to be spent with you  
Spent with you  
There's a way everybody says  
To do each and everything  
Oh, what goods everything  
If I ain't got you babe, I ain't got you babe

You don't know what it's like baby  
You don't know what it's like  
To love somebody  
To love somebody  
The way I love you

In my brain  
I know I'll see your face again  
Because in my frame of mind  
You ain't got to be so blind  
And I'm crying I'm dying  
'Cause I'm a man look at all I am  
I live and breath for you  
But what good does that do  
If I ain't got you baby, I ain't got you baby

You don't know what it's like baby  
You don't know what it's like  
To love somebody  
To love somebody  
The way I love you

You don't know what it's like baby  
You don't know what it's like  
To love somebody  
To love somebody  
The way I love you

You don't know what it's like baby  
You don't know what it's like

To love somebody  
To love somebody  
The way I love you  
Love somebody
