

# Water Wash All Over Me

Jimmy Barnes

Is it so hard to understand?  
Looking at this broken man  
How'd I ever come to be  
The person staring back at me

Water wash all over me  
Squeeze me 'till I cannot breathe  
Blind me so I cannot see  
Water wash all over me

I made my bed here on the floor  
'cause she don't live here anymore  
And only hope can dry my eyes  
And only love can take away the pain I feel inside

Water wash all over me  
Squeeze me 'till I cannot breathe  
Blind me so I cannot see  
Water wash all over me

Water wash all over me  
Take away the pain I feel  
I'm not the man I used to be  
Water wash all over me

Tears of hope run like the tied,  
Every time I close my eyes  
And I dream of better times,  
When you were mine

The morning sun just leaves me cold  
The bitter taste of daylight only reeks of truth untold

Water wash all over me  
Squeeze me 'till I cannot breathe  
Blind me so I cannot see  
Water wash all over me

Water wash all over me  
Take away the pain I feel  
I'm not the man I used to be  
Water wash all over me

Wash all over me
