Wichita Lineman

Jimmy Barnes

I am a lineman for the county And I drive the main road Searchin' in the sun for another overload I hear you singing in the wire I can hear you though the wire And the wichita lineman Is still on the line

I know I need a small vacation But it don't look like a prey And if it snows that streach down south Won't ever stand the strain And I need you more than want you And I want you for all time And the wichita lineman Is still on the line

And I need you more than want you And I want you for all time And the wichita lineman Is still on the line

Still on the line He's got that woman on his mind Still on the line
