

# What Am I Gonna Do

Jimmy Clanton

What am I gonna do  
What am I gonna do  
I'm so lonely for you

What am I gonna do  
When the sun goes down  
And all the lights are low  
What am I gonna do  
When I recall the love  
We used to know

I remember the happiness we knew  
Darling, can't we make up soon  
Cause I don't know  
What I'm gonna do

What am I gonna do  
On Wednesday night when I  
Used to call you on the phone  
What am I gonna say at the  
Record hop when I show up alone

They'll all ask me  
What's become of you  
Darling, can't we make up soon  
Cause I don't know  
What I'm gonna do

At the movies  
Or at the football game  
Please believe me  
Nothing's gonna be the same

Now what am I gonna do  
On a Saturday night  
When everything goes wrong  
What am I gonna feel when  
The radio plays our favorite song

I'm so lonely just like Mr. Blue  
Darling, can't we make up soon  
Cause I don't know  
What I'm gonna do

Cause I don't know  
What I'm gonna do  
Cause I don't know  
What I'm gonna do...
