

# Brown Eyes

Jimmy Cliff

Sailing down the coast in my little rowboat, oh  
Ain't found her yet got a ways to go..  
Gotta find that girl and make her mine,  
yeah man  
Oh she's the one with the big brown eyes.

In my dream I met this girl, we fell in love  
and she is a pearl.  
I promised her I'd show her the world,  
Now I'm awake and there is no girl.

Sailing down the coast in my little rowboat,  
oh  
Ain't found her yet got a ways to go..  
Gotta find that girl and make her mine,  
yeah man.  
Oh she's the one with the big brown eyes.

Now I heard that dreams come to life,  
And if it's true she'll be my wife.  
Crazy they'd call me soon they'll see.  
We'll be together in harmony.

I've seen a lot of girls that men admire, (echo)  
and they're fine, so fine  
Not one of them compare to mine. (echo)  
Not one of them compare to mine  
She's got the cutest little smile, yeah man. (echo)  
She's got the  
cutest little smile  
I'm looking for the one with big brown eyes.

Sailing down the coast in my little rowboat,  
(echo) In my little rowboat  
Ain't found her yet got a ways to go..(echo) Ain't  
found her yet got a  
ways to go  
Gotta find that girl and make her mine, yeah man (echo)  
Make that  
sweet girl mine  
Oh she's the one with the big brown eyes.

Gotta find that girl, yes, ah, ah ah  
Brown eyes  
Gotta find that girl, yes, ah that girl,  
Hawaiian eyes

Sailing down the coast in my little rowboat, (echo) In  
my little rowboat  
Ain't found her yet got a ways to go..(echo) Ain't  
found her yet got a  
ways to go  
Gotta find that girl and make her mine,  
yeah man (echo)  
I'm gonna make that sweet girl mine  
Oh she's the one with the big brown eyes.
