Jimmy Cliff

Yes, the homework class
It's allmost empty
It's a grate lost
For who are plenty

There's no turning back
At South Africa

Fire gonna burning

Fire gonna burning
Is Hanging Fire

Is the Fire x4

The trigger is gone
And a hammer stand
Is the early dawn
Of that awfull sad

On the day's brakes
And the hear apress
And I kwnow Clap Com
Fire gonna burning
Is Hanging Fire
