the Humanitarian i come with my music, the Humanitarian music for salvation, the Humanitarian my Creator's permission for all humanity, i wanna give my love and light so you can feel alright, i wanna to give my love and light so you can be alright, i wanna give my love , love and light so you can have the key of life

so much suffering in the land Nubian, Caucasian and Mongolian calling the Humanitarian to the rescue , i am one , reaching the generation gap with love from bottom to top

the Humanitarian i come with my music, the Humanitarian music for salvation, the Humanitarian my Creator's permission for all humanity, i wanna give my love and light so you can feel alright, i wanna to give my love and light so you can be alright, i wanna give my love , love and light so you can have the key of life
