

# Love Is All

Jimmy Cliff

Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take

Open up your window  
Let the love come shinin'  
Open up your shadow  
Let the love come burnin'

Loving you is the best thing I can do  
You loving me, well, you know you set me free  
Set me free, yeah

Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take

Will to fly was a thing  
Money could buy  
Then you know the rich would live  
And the poor would die

Still I love the rich  
But they're yet so lonely  
And I love the poor  
'Cause there stood so many  
Stood so many, yeah

Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take

Oh, yes, oh, yes, oh, yes, oh, yes, oh, yes, baby

I can give you what I got (What I got, what I got)  
Oh, your mind think a lot  
I will take just what you got  
If you say that's what you got

I know some day no matter what they say  
Money will come, money will come our way  
In a million billion ways  
Zillion ways, no, no

Love is all I have to give  
To give and take  
Love is all I have to give  
To give and take

Love is all I got to give  
To give and take

Oh, yes, oh, yes  
It's so good when you dub it up, dub it up  
'Cause all I got to give and what I got to give is  
blood  
I'll give it to you

Love is all I got to give  
To give and take
