

# Piece Of The Pie

Jimmy Cliff

The lion is weak and ready for his jungle  
What is the jungle  
Equal rights and justice  
And if he doesn't get it  
He's gon' to take it any way and anyhow  
So you better give up

We want our piece of the pie  
Right here, right now  
We want our piece of the pie  
Right here, right now

We want our piece of the pie  
Right here, right now  
We want our piece of the pie  
Right here, right now

They run our fathers up their pole  
And try to take their soul  
We realize we know the score  
So don't try that no more

No tricks, no traps, no lies, no gripes  
Can't hold us anymore  
We've had enough of jive and bluff  
We want our share for sure

We want our piece of the pie  
Right here, right now  
We want our piece of the pie  
Right here, right now

We want our piece of the pie  
Right here, right now  
We want our piece of the pie  
Right here, right now

A hungry man is a angry man  
I hope you understand  
Because a hand to mouth won't work it out  
Of this there is no doubt

We want our share, we have no fear  
So you better beware
