

# Sooner Or Later

Jimmy Cliff

It's getting to the point  
Where I can't hang around no more  
It's getting to the point  
Where really have to open up the door

Times are changing  
You better use your sense  
Use what you've got  
From coincidence  
Hear me now!

Sooner or later you gonna have to stand up tall  
Sooner or later when your backs against that wall  
Sooner or later you'll have to be the one you are  
And you just might find that you're out of time  
And it's just too late

Hear me now!

Heavy burden gets you down  
And pressure is all around  
Sit around and hesitate  
Say you're waiting for a lucky break

Life's for living  
Better use your sense  
Use what you've got  
From coincidence  
Hear me now!

Sooner or later you gonna have to stand up tall  
Sooner or later when your backs against that wall  
Sooner or later you'll have to be the one you are  
Or you just might find that you're out of time  
And it's just too late

Heavy burden gets you down  
And pressure is all around  
You sit around and hesitate  
Say you're waiting for the lucky break

Life's for living  
Better use your sense  
Use what you've got  
From coincidence  
Hear me now!

Sooner or later you gonna have to stand up tall  
Sooner or later when your backs against that wall  
Sooner or later you'll have to be the one you are  
Or you just might find that you're out of time  
And it's just too late
