

# Synthetic World

Jimmy Cliff

La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
You've always been beside me  
For a moments of my youth  
I know deep down inside me  
You've always shared the truth  
But life is brief and fickle  
And all that starts must end  
So la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
We've seen a lot together  
Sometimes good but mostly bad  
Through every change of weather  
You're the only one I've had  
But life is brief and fickle  
And all that starts must end  
So la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
The dream that we all live in  
The plans we try to make  
The treasures we are giving  
Are more than we can take  
But life is brief and fickle  
And all that starts must end  
So la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la, la  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
Baby, I can't live without you

Life is nothing without you  
Don't you know?  
Baby, I can't live without you  
Life is nothing without you  
Don't you know?  
But life is brief and fickle  
And all that starts must end  
So la, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la
