

# We All Are One

Jimmy Cliff

Mmm...mmm...mmm....

Yeah

Mmm...hmm...mmm....oh...

We all are one, we are the same person  
I'll be you, you'll be me (Oh, yeah)  
We all are one, same universal world  
I'll be you, you'll be me

No matter where we are born,  
We are human beings  
The same chemistry  
Where emotions and feelings  
All corresponding in love  
Compatible

You can't get around it,  
No matter how hard you try  
You better believe it  
And if you should find out  
That you are no different than I  
Reply

We all are one (We all),

I'll be you, you'll be me (I'll be me, you'll be you)  
We all are one (We all), same universal world

The only difference I can see  
Is in the conscience  
And the shade of our skin  
Doesn't matter, we laugh, we chatter  
We smile, we all live for

And the feelings that make  
All those faces always renew  
So true, so true  
And would you believe that I have  
All those same feelings too  
The same as you

We all are one, we are the same person  
I'll be you, you'll be me (I'll be me, you'll be you)  
We all are one (We all), same universal world  
I'll be you, you'll be me (Mmm, hmm, mmm, hmm)

Look at the children, they're having fun  
With no regards to why  
They all look different but deep inside  
Their feelings of love they don't hide, they don't hide

They don't hide, they don't hide

We all are one, we are the same person  
I'll be you, you'll be me (Oh, yeah)  
We all are one, same universal world
