

For The Good Times

Jimmy Dean

Don't look so sad we know it's over
Life goes on and this old world will keep on turning
Let's just be glad we had some time to spend together
There's no need to watch the bridges that were burning

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops falling softly against the window
And make believe you love me one more time for the good times

I'll get along, you'll find another
And I'll be here if you should find you ever need me
Don't say a word about tomorrow or forever
There'll be time enough for sadness when you leave me

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops blowing softly against the window
And make believe you love me just one more time for the good times
And there were some good time for the good times
