We got married in a fever hotter than a pepper sprout
We've been talking bout Jackson ever since the fire went out
I'm goin' to Jackson (you just think you're one) I'm gonna mess
around

Headed to Jackson look out Jackson town
Well you go on down to Jackson go ahead and wreck your health
Play your hand like a lovin' man make a big fool of yourself
Honey you just go on to Jackson well you go comb your hair
I'm gonna snowball Jackson oh see if I care

Hmm I breeze into that city all them people gonna stoop and bow And them Jackson women gonna make me teach 'em what they don't know now

I'm goin' to Jackson get your brother hands off of my coat
I'm headed to Jackson goodbye that's all she wrote
When they laugh at you in Jackson I'll be dancin' on the pony k
eg

When I'll lead you round town like a scalded hound With your tail tucked between your legs Go on to Jackson you big tall Texas man I'll be waitin' right there in Jackson behind my Japan fan We got married in a fever hotter than a pepper sprout We've been talking bout Jackson ever since the fire went out We're goin' to Jackson and that's a fact Yeah goin' to Jackson ain't never comin' back
