

Let It Be Me

Jimmy Dean

I bless the day I found you I want to stay around you and so I
beg you let it be me
Don't take this heaven from one if you must cling to someone
Now and forever let it be me
Each time we meet love I find complete love

Without your sweet sweet love what would life be
So never leave me lonely tell me you love me only
And that you'll always let it be me
Now and forever let it be me
