## Make The World Go Away

## Jimmy Dean

Make the world go away and get it off my shoulder Say the things you used to say and make the world go away

Do you remember when you loved me before the world took me astr ay

If you do then forgive me and make the world go away Make the world go away...

I'm sorry if I hurt you I'll make it up day by day
Just say you love me like you used to and make the world go awa
y

Make the world go away...

Say the things you used to say and make the world go away
