

## Nine Pound Hammer

Jimmy Dean

Well that nine pound hammer is a little too heavy  
For my size honey for my size  
Roll on buddy pull a load o'coal  
Now how you gonna roll roll roll when the wheels won't roll

Well it's a long way to Harlem it's a long way to Hazzard  
Just to get a little brew my friend get a little brew  
And that nine pound hammer it done killed John Henry  
It ain't a gonna kill me no siree it ain't gonna kill me  
Roll on buddy pull a load o'coal  
Now how you gonna roll roll roll when the wheels won't roll

I'm goin' on that mountain I'm gonna see my baby  
And I ain't comin' back no siree I ain't comin' back  
And when I'm long gone well you can make my tombstone  
Out of number nine coal my friend number nine coal  
Roll on buddy pull a load o'coal  
Now how you gonna roll roll roll when the wheels won't go

Yeah roll on buddy pull a load o'coal  
Now how you gonna roll roll roll when them wheels won't go  
When them wheels won't go roll on buddy
