

# Nobody

Jimmy Dean

When life seems full of clouds and rain and I am filled with no  
t but pain  
Who soothes my thumpin' bumpin' brain nobody  
When winter come with snow and sleet, me with hunger and cold f  
eet  
Who says here's too bit more to eat nobody  
I ain't never done nothin' to nobody and I ain't never got noth  
in' from nobody no time  
And until I get some from somebody sometime  
I don't intend to do nothin' for nobody no time

Well I'm tyrin' hard and schemin' a plan to do the very best I  
can  
Who says look at that handsome man nobody  
Well all day long things go a mess and I go home to find some b  
liss  
Who's waitin' there with a lovin' kiss nobody  
I ain't never done nothin'...  
Nobody no time
