

Nobody

Jimmy Dean

When life seems full of clouds and rain and I am filled with no
t but pain

Who soothes my thumpin' bumpin' brain nobody

When winter come with snow and sleet, me with hunger and cold f
eet

Who says here's too bit more to eat nobody

I ain't never done nothin' to nobody and I ain't never got noth
in' from nobody no time

And until I get some from somebody sometime

I don't intend to do nothin' for nobody no time

Well I'm tyrin' hard and schemin' a plan to do the very best I
can

Who says look at that handsome man nobody

Well all day long things go a mess and I go home to find some b
liss

Who's waitin' there with a lovin' kiss nobody

I ain't never done nothin'...

Nobody no time
