

Remember Me (i'm The One Who Loves You)

Jimmy Dean

If you're all alone and blue no one to tell your troubles to
Remember me cause I'm the one who loves you
If the whole world turned you down and not a true friend can be
found
Remember me cause I'm the one who loves you
Through all kinds of weather you know I'll never change
Through the sunshine and the shadows I'll always be the same
Oh we're together right or wrong and where you go I'll tag along
Remember me cause I'm the one who loves you
Yes through all kinds of weather...
Remember me cause I'm the one who loves you
