

# Ruby Don't Take Your Love To Town

Jimmy Dean

You've painted up your lips and rolled and curled your tinted hair  
Ruby are you contemplatin' going out somewhere  
The shadows on the wall tell me the sun is going down  
Oh Ruby don't take your love to town  
For it wasn't me that started that old crazy Asian war  
But I was proud to go and do my patriotic chores  
Ruby I know I'm not the man that I used to be but Ruby I still  
need your company  
It's hard to love a man whose legs're bent and paralyzed  
And the wants and the needs of a woman your age Ruby I realize  
But it won't be long I've heard them say until I'm not around  
Oh Ruby don't take your love to town  
She's leaving now cause I just heard the slamming of the door  
The way I know I heard it slam one hundred times before  
If I could move I get my gun and put her in the ground  
Oh Ruby don't take your love to town Ruby for God's sakes turn  
around
