

## Six Lessons From Madame La Zonga

Jimmy Dorsey

Six lessons from Madame La Zonga  
You do the Rumba and the new La Conga  
Six lessons in Madame's cabana  
And you will imagine you're down in Havana

Her four Latin daughters will help you to start  
While finding the rhythm you might lose your heart

Six lessons from Madame La Zonga  
And you'll develop your hip and your knee  
And say, by the way, if you're sure it's okay  
If Madame likes you, the lessons are free

Rosita gives you lesson one,  
Chiquita gives you lesson two  
Madame gives you all the rest  
And her methods are the best

The Madame shows you how to walk  
The Madame marks it with her chalk  
When the Madame starts to squawk  
That's her Cuban double talk

Six lessons from Madame La Zonga  
And you'll develop your hip and your knee  
And say, by the way, if your sure it's OK  
If Madame likes you, the lessons are free  
If Madame likes you, the lessons are free!
