Jimmy Eat World

It's alright to be held back by retro-man.  
it's far fetched fun when you're the one.  
The prize.  
I knew you would come through.  
I thought I could be right, number one,  
but it's a lie.  
It's televised in forest green.  
it's been brought back by retro-man.  
Hold your thoughts in.  
It ain't yet over.  
You won't slide under me.  
The prize.  
I knew you would come through.  
I thought I could be right, number one,  
but it's a lie.
