It's allright to be held back by retro-man. it's far fetched fun when you're the one. The prize. I knew you would come through. I thought I could be right, number one, but it's a lie. It's televised in forest green. it's been brought back by retro-man. Hold your thoughts in. It ain't yet over. You won't slide under me. The prize. I knew you would come through. I thought I could be right, number one, but it's a lie.
