

Carbon Scoring

Jimmy Eat World

Here we go.

(My only cold I fought.)

Here I am, frozen in time I find a way from you, pave the way.

And cause I can't stand still they'll leave you down and out.

And when your face gets here I'll stab you in the back.

Tell me now, I need to know how long.

Clear the way.

Don't make me wait all day.

With you, from you, pave my way.

And cause I can't stand still, they'll leave you down and out.

And when your face gets here I'll stab you in the back.

It's a long way home.

Can't you find your way?

I'm a trampoline.

Lift me up over farenheit.

I'm a trampoline.

I...
