

## Patches

Jimmy Eat World

I'm not worried about my life, it's too big.  
Carpet stains on the ground and I think  
I've found a way out downstairs turn around.  
Wake me, take me up upside down.  
Head down, lay down.  
No one is ever around when I need them most.  
Ricochet, right now.  
I'm not worried about my life, it's too big.  
Carpet stains on the ground and I thought I found a way out  
Downstairs turn around.  
Wake me, take me up upside down.  
Hands down, lay down.  
No one is ever around when I need them most.  
Ricochet ricochet, right now
