

I don't want to be up on a Friday night,
but I don't want to be there up on a Saturday night.

I don't want to be up on a Friday night,
but I don't want to be there up on a Saturday night.

I don't want to be up on a Friday night,
I don't want to be there.

When It's over when I'm starving, could it be yanked out of your hand.

Yep I'm the guy, all that you've seen and heard.

What about yourself now?

You're just the girl next door.

So now you're waiting to find out that it's something.

Wishing, to get your face up anyway.

Give it up dish it out now take it back now lift it up, turn it back now one more.

When it's over when I'm starving.

Take your hand to rest with your head.

Yep I'm the guy, all that you've done and seen.

Laying on the floor at 6:30 and you're here.

Say you want it so, so.

Just say it right you want me.
