

When I Want

Jimmy Eat World

Please, let's not get into this tonight
See? It's easy and it's what you like

Don't call me foolish 'cause I'm not
Just be the lover when I want
If I'm hated, well, it's not my fault, I swear

Now, don't you go, think it's love?
How did you think that's where I'm coming from?

Don't call me foolish 'cause I'm not
Just be the lover when I want
If I'm hated, well, it's not my fault, I swear
I swear...

I swear...

Well, this doesn't have to be a fight
Won't you stay? You could go home alone, but why?

Don't call me foolish 'cause I'm not
Be the lover when I want
If you hate me, well, it's not my fault, I swear

Don't call me foolish, girl, I'm not
Be the lover when I want
If I'm hated, well, it's not my fault, I swear

I swear...
