

Your House

Jimmy Eat World

When you're on, I swear you're on.
You rip my heart right out.
You rip my heart right out.
I think the whole room can hear me clear my throat.
You rip my heart right out.
You rip my heart right out.
If you still care at all, don't go, tell me now.
If you love me at all, don't call.
Then out of nowhere, put me right back there.
Rip my heart out, you rip my heart right out.
And we know what happens when we get to your house.
Rip my heart out, you'll rip my heart right out.
If you still care at all, don't go, tell me now.
If you love me at all, please don't, tell me now.
If you still care at all, don't go, tell me now.
If you love me at all, don't call.
I throw away everything I've written you.
Oh anything just keep my mind off of it, thinking how I had you
once.
No, I can't forget that.
Sometimes I wish I could loose you again.
You're winning me over with everything you say.
You rip my heart right out.
You rip my heart right out.
When I let you closer, I only want you closer.
You rip my heart right out.
You rip my heart right out.
If you still care at all, don't go, tell me now.
If you love me at all, please don't, tell me now.
Yeah, if you still care at all, don't go, tell me now.
If you love me at all, don't call.
If you love me at all..
