

# Cougar Huntin'

Jimmy Fallon

I'm goin' huntin', I'm loadin' up my gun.  
I'm goin' huntin', yeah. Well I'ma gonna get me some  
I'm goin' huntin', got my whiskey and my beer  
There's cougars a'loose in the bar and I'm goin' huntin' here

Well you know you're lookin' good now, but your momma's lookin'  
finer

I know you turned 22, but I prefer a 69er  
Well, up and down the bar she goes a'prowlin' for all to see  
She may not be the freshest, but the muffin' ain't stale to me

I'm goin' huntin', I'm loadin' up my gun.  
I'm goin' huntin', yeah. Well I'ma gonna get me some  
I'm goin' huntin', got my whiskey and my beer  
There's cougars a'loose in the bar and I'm goin' huntin' here

Well, I am just a young buck, but I got you in my sight  
I'm gonna bag you and stuff you when we get home tonight  
Not gonna lead you on 'cause that's not my trip  
But I think there's more cougars here than a Mercury dealership

I'm goin' huntin', I'm loadin' up my gun.  
I'm goin' huntin', yeah. Well I'ma gonna get me some  
I'm goin' huntin', got my whiskey and my beer  
There's cougars a'loose in the bar and I'm goin' huntin' here  
There's cougars a'loose in the bar and I'm goin' huntin' here  
There's cougars a'loose in the bar....and I'm goin' huntin'...h  
ere.
