

Jeremy (Linsanity)

Jimmy Fallon

At home
Shooting free throws
And three-point shots
Waiting for a job
Name not yet a pun
Carmelo injury
Came out of nowhere like an asian tebow

The knicks were 8 and 15
Oh, and before that no one really cared
Now jeremy is winning
And the knicks don't suck

Clearly, I remember
Pickin' on the boy
Seemed a little harvard nerd
Oh, and he beat kobe bryant
Set a screen
And took it to the hole to show
That asian men can drive
And he hit them with a surprise three
And the crowd went crazy
Oh, now he's famous
Just turned down a date
With kim kardashian

Spike lee's on the sideline cheering
Yeah, and tickets to a game cost 800 bucks
Now that the knicks are winning
It's a miracle
