

The Wobble

Jimmy McCracklin

Now if you don't know what it's all about
And you want to rock I'll show you how
I want to show you how to do the wobble
Just get set baby and grab your partner
Now all you do is what you're told
Cause' the wobble ain't nothing but a shake and roll

Now when you do the wobble you take your time
Cause' it ain't nothing better you can do or find
Everybody can do it why can't you
Just dig this beat and you can too
If you can't wobble get on the floor
Stay here baby nobody will know

Horn Solo

Now the old can do it and young can too
Cause' the old can't do it like the young folks do
The young folks wobble the way it go
And the old just do it the way they know
When you do the wobble you take off your shoes
Then spin your partner and turn them loose
