Here he come again that man in the mask Telling me I have to go home Telling me I have to go home again

Pointing with his finger and waving that lamp Telling me I have to go home Telling me I have to go home again

I don't wanna go home
Don't wanna go home
I don't wanna go home
Don't wanna go home no more

Just when I get to thinking that I've shaken him free Just when I get to thinking that he's gone from me He seems to have a hold upon my soul

Here he come again that man in the mask Telling me I have to go home Telling me I have to go home again

I don't wanna go home
Don't wanna go home no more
I don't wanna go home
Don't wanna go home no more

Because I've been a lot of places that I shouldn't have been Seen a lot of faces that I shouldn't have seen Said a lot of bad things that I really didn't mean But they still won't let me go

I don't wanna go home
Don't wanna go home
I don't wanna go home
Don't wanna go home no more
