

# Grace Amazing

Jimmy Needham

[Trip Lee:] Yeah, You give me grace amazing  
You give me grace amazing

You found my heart in the tomb  
Wrapped up all lifeless and bruised  
I was the living dead  
Couldn't even lift up my head  
To see You enter the room  
Oh, Oh, Oh

That's how it is with us all  
We weren't just damaged we fell dead at the fall  
Only the innocent can breathe the air again  
Underground, over my head  
I'm almost sure I'm dead

Unless You breath life into me  
I won't ever feel my dead heart beating  
But you open these blind eyes to see  
That's what makes Your grace amazing

No one can come to the Son  
Unless the Father compels him to come  
Our hearts are bottomless  
If we're autonomous  
Why do we choose corruption  
Underground, over my head  
I'm almost sure I'm dead

Unless You breath life into me  
I won't ever feel my dead heart beating  
But you open these blind eyes to see  
That's what makes Your grace amazing

Who's a cripple encased in his heart of stone  
Christ's the name that I'm calling on, calling on  
He's the hope for the hopeless, yall  
We were saved when He chose and called  
Where is life if its not in the King  
You're the God, lift Him up to all things  
To His One, His Son

[Trip Lee:]  
Look, you might have heard I was dead in the grave  
With some shackles on my wrist  
I was very enslaved to the lusts and the passions  
In various ways  
In the band, on the horse, I was dead and depraved  
Sight wasn't just blurry and vague  
I was blind as a bat, couldn't thoroughly gaze  
At the glory of Christ or the story of life  
The Father said come to Him, but I hurried away

I was stuck, couldn't choose to be found  
Tell me when the last time  
You seen a dead man moving around  
Couldn't buy my freedom I was truthfully bound

Couldn't get myself saved  
I was shooting them down  
Only by Gods will does grace heal with great might  
Cuz only the words of God can create life  
Give joy, remove shackles and replace shame  
I was raised by grace and I praise Christ

You breath life into me  
Now I finally feel my dead heart beating  
You open my eyes to see  
That's what makes Your grace amazing

You breath life into me  
Now I finally feel my dead heart beating  
You open my eyes to see  
That's what makes Your grace amazing

You give me grace amazing  
Praise God for that grace amazing  
You give me grace amazing  
Praise God for that grace amazing
