

Just A Heartbeat

Jimmy Needham

With a word You made the stars
Spoke and boom, the moon and Mars
So who can say that there's no way
It's obvious You're far from done
And the best is yet to come
Anything is possible with You

You can do it all with just a heartbeat
Give it two feet and suddenly You've got me
Top it off with ears that listen closely
And speak into me and put my mouth on repeat

Do, do, do, do, do

So it is with me, oh my
Half the time I forget
That I should trust in You
Nothing else will do
But have a willing heart
And leave the rest of it to You

'Cause You can do it all with just a heartbeat
Give it two feet and suddenly You've got me
Top it off with ears that listen closely
Speak into me and put my mouth on repeat

You can do wonders with a broken heart
Turn people into works of art
You can do more than we imagine
More than we can fathom If we just let You

You can do it all with just a heartbeat
Give it two feet and suddenly You've got me
Top it off with ears that listen closely
And speak into me and put my mouth on repeat

'Cause You can do it all with just a heartbeat
Give it two feet and suddenly You've got me
Top it off with ears that listen closely
And speak into me and put my mouth on repeat

Oh
Do, do, do, do, do
Repeat, oh, oh, oh yeah
