

## Light Of Day

Jimmy Needham

There's a road I'm walking on  
Full of promise and of woes  
And the fog has not yet gone, oh no  
But as it goes, I want you to know

Wherever I go, I'll take your hand, baby  
Into the light of day  
'Cause we'll never see just how far we've come, baby  
If we stay

And nobody knows just where this road will lead  
But I'll take your hand as He's leading me  
We'll walk on the shores of this beautiful sea  
And into the light of day

There's a season for us all  
Life can spring as people fall, yeah  
And the wonder of it all, oh  
Is as it goes, you can still know

Wherever I go, I'll take your hand, baby  
Into the light of day  
'Cause we'll never see just how far we've come, baby  
If we stay  
And nobody knows just where this road will lead  
But I'll take your hand as He's leading me  
We'll walk on the shores of this beautiful sea  
And into the light of day

And I won't let go, no, never  
Whoa, we'll weather any storm  
Oh, and if lightning lights our way tonight  
We will carry on, we will carry on, yeah

Wherever I go, I'll take your hand, baby  
Into the light of day  
'Cause we'll never see just how far we've come, baby  
If we stay, oh

And nobody knows just where this road will lead  
But I'll take your hand as He's leading me  
We'll walk on the shores of this beautiful sea  
And into the light of day

We'll walk on the shores of this beautiful sea  
And into the light of day
