

Stand On Grace

Jimmy Needham

In Jesus alone, my atonement is known, I stand on grace.
In Jesus the King, my salvation He brings, I stand on grace, stand,
and, I stand on grace.
In Jesus alone, my atonement is known, I stand on grace.
In Jesus the King, my salvation He brings, I stand on grace.
And Jesus your grace is all that I need, it's all that I need,
yeah.
And grace upon grace is all that I breathe, it's all that I breathe.
In Jesus alone my atonement is known, I stand on grace.
In Jesus the King, my salvation he brings, I stand on grace.
And Jesus your grace is all that I need, it's all that I need,
I need.
And grace upon grace, it's all that I breathe, it's all that I breathe,
yeah.
And Jesus your grace, it's all that I need, it's all that I need.
Yeah, and grace upon grace, it's all that I breathe, it's all that I breathe,
yeah.
And Jesus your grace it's all that I need, it's all that I need.
And grace upon grace it's all that I breathe, it's all that I breathe.
Yeah, and Jesus your grace, it's all that I need, it's all that I need,
yeah.
And grace upon grace it's all that I breathe, it's all that I breathe.
In Jesus alone my atonement is known, I stand on grace
