

## Stay

Jimmy Needham

You lead me like the dawning of the day  
You lead me like April leads into May  
You lead me like the stone you rolled away  
You take my hand and we will run away  
Just like a child I rest upon your knee  
Just like a song, your love, it sings to me  
Inside your arms I find a symphony  
You take my hand and then we run away  
To the place where my fears have no voice at all  
Only sound in my ear, the whisper of your call  
This moment is frozen  
I'm not going anywhere  
I'd linger forever  
If only I could stay here  
Remember all those years ago we met  
All I recall are days of past regret  
And you felt so far but I had never left  
Just wanting you to take my hand and run  
To the place where my fears have no voice at all  
The only sound in my ear, the whisper of your call  
This moment is frozen  
I'm not going anywhere  
I'd linger forever  
If only I could stay  
If only I could stay  
In the place where my fears have no voice at all  
Only sound in my ear, the whisper  
In the place where my fears have no voice at all  
Only sound in my ear, the whisper  
This moment is frozen  
I'm not going anywhere  
Linger forever  
If only I could stay  
If I could stay here
