

Steal Away

Jimmy Needham

Well You done it again*
Got my heart in detention
Got my head in the clouds
Do You feel the ascension
Oh blessed suspension I'm floating on air
As the wife of my youth with your countenance fair
And Your eyes lit ablaze how I wait for You there
And the patience in this place
Between longing and needing
My heart starts to beating
I wait for You there

Let's steal away together
Cloudy days don't get much better than this
Cuz I want more than just those plain romances
Let's steal away together
And we can find our own way away from down
Way down, no no
Let's steal away
Let's steal away

Chances are birds on the branches
Are no match for soaring hearts caught in romance
Is there anything stronger or higher than love
When its true, so true
And the glorious thing is that when we get wind
We can soar in the place
Where the daydreamers dream
Let's refuse to stay here on the floor
When there's more to be had
We must see what's in store

Let's steal away together
Cloudy days don't get much better than this
Cuz I want more than just plain romances
Let's steal away together
And we can find our own way away from down
Way down, no no
Let's steal

And if they try to tie us down too
If they say we can't go higher
They can never break joy's golden wings
We will fly
We will fly
We will fly
We will fly

Let's steal away together
Cloudy days don't get much better
Cuz I want more, I want more, I want more

Let's steal away together
Cloudy days don't get much better than this
Cuz I want more than just plain romances
Let's steal away together
And we can find our own way away from down

Way down, no no
Let's steal away
Let's steal away
Come on, steal away
Let's steal away
Ohh, Let's steal away together
