

# Farewell Is A Lonely Sound

Jimmy Ruffin

(Farewell farewell my love, farewell farewell my love)

Farewell is a lonely sound  
When told to someone you love  
You know, you hurt inside as you wonder why  
You must leave the one that you love

Saying goodbye to someone you love  
Is so hard for any man  
You say it's just for a while, then you force a smile  
And you hope she'll understand  
Then a tear appears in her eyes  
As she tightly holds your hand  
Then you let her know that it's time to go  
You must leave while you can

Oh but, farewell is a lonely sound  
When told to someone you love  
You know, you hurt inside as you wonder why  
You must leave the one that you love

(Farewell farewell my love, farewell farewell my love)  
I'm leaving darling, but I'll be, back one day

Ooh every silent step you take  
Each one hurts your heart  
As you board the train, you feel the pain  
That starts as you depart, yeah  
You wipe your eyes so she can't see  
Cos a man should never cry  
Now there's just a trace of her crying face  
As you wave to her goodbye, that's why

Farewell is a lonely sound  
When told to someone you love  
You know, you hurt inside as you wonder why  
You must leave the one that you love

I don't wanna leave you baby, I don't wanna say goodbye no, no  
Oooh cos it hurts inside, and you wonder why  
You must leave the one that you love  
Baby baby, farewell is a lonely sound  
When told to someone you love  
You know you hurt inside as you wonder why (fade)
