

## Come Lately

Jimmy Somerville

I've never felt such a need in me  
Such a need as his, with hungry arms  
I gather all the worth he gives  
It feels so good, you invert me  
It delights me, you're so subversive  
So sublime, so sacrosanct

Come lately, I can't get by without your love  
Come lately, I can't get by without your love

I could not help of falling for such a charming man  
I realized something rare when I found you  
That's why I try to do the best at what I can  
You make me happy, don't want to lose you  
I've got to keep you on my side

Come lately, I can't get by without your love  
Come lately, I can't get by without your love

What could I do, what could I do, what could I do without you?  
What could I do, what could I do, oh, what could I do without you?  
What could I do, what could I do, what could I do without you?  
What could I do, what could I do, what could I do? Yeah, yeah,  
yeah

Come lately, I can't get by without your love  
Come lately, I can't get by without your love

Come lately, I can't get by without your love  
Come lately, I can't get by without your love

Come lately, I can't get by without your love  
Come lately, I can't get by without your love  
Come lately
